## Scholarship Award Program

NCHS is committed to support individuals desiring to receive education and succeed as adults in the community. We have a scholarship program from \$500 to \$1000.00 per year awarded to a person or person(s) associated with the bleeding disorders community.

The Awards committee oversees the scholarship program. The committee determines the number and amount of the awards based on a number of criteria including but not limited to academic merit, employment status, narrative, reference letters, financial need and impact of the bleeding disorders community.

### Requirements for Application

1. Must be planning to attend an accredited technical school, college or university.
2. Must be a person diagnosed with a bleeding disorder, parent, spouse, partner, child or sibling of a person diagnosed with a bleeding disorder.
3. Must have a grade point average (GPA) of 2.5 of a 4.0 scale, or higher during entire senior year of high school.
4. Submit Two (2) letters of support; one must be from a teacher or instructor. The second from an employer, church leader, health care provider, or other professional person involved in your life.

The Award Committee meets annually in April; all applications must be received by April 1<sup>st</sup>. Incomplete applications will not be considered. The applicant awarded the scholarship will be notified by May 1<sup>st</sup>.

## Scholarship Application

Name:

Address:

City:

State:

Zip:

Telephone:

Date of Birth:

Relationship to Hemophilia:

self    sibling (brother/sister)    parent    spouse/partner
